[Notes: 1. Ibone broke Ida Wilson's 10/O 1 meter world record and Gerta Ross's 87/O 3 meter world record. Way to come back like a champion, Ibone! 2. Miranda Maas came close to setting a new record in the women's 25-29 3 meter event, which is still held by **Michele Haines Pappas**, 88/0-514.90. 3. There were no men in the 21-39 age group events at this meet. 4. This is the fastest that I have been able to post event results, ever, thanks to DiveMeets.Com and Meet Manager Yahya Radmon and Staff. (Miracles are performed at once; the impossible requires a work order).5. Tower and synchro results were timely posted and so the whole results were ready for posting by 9:00 PM Sunday night, 5/8/2011. 6.The scores overall were better this year, indicating that either the overall diving was better, the judging was better, or both. 7. Hope to see y'all at the Outdoors in Oklahoma in August].
