Notes: 1. This is a continuing event. It was a first time event, voted on two years ago at the Michigan Summer (Outdoor) meet. It has not been voted on as a regular event; therefore, there will be no records set for this event.

2. Some divers dived in regular events **and** novice events. See above.

3. This event was meant to encourage new divers who otherwise could not compete in regular events. It served its purpose and hopefully will encourage other divers to enter in future championship meets.

4. Special medals were given for these events.

5. The 6th Pan American Masters Aquatic Championships will be held June 21-27, 2015 in Medellin, Columbia.*

6. The 16th FINA World Masters Aquatic Championships will be held August 9-16, 2015 in Kazan, Russia.*

7. The Summer Masters National Championships will be held August 28-30, 2015 at the University of Missouri, Columbia, MO. Nearest airport-St Louis.*

*=See Masters Web Site for details.

8. Due to time constraints, the All-American awards for 2014 will be handed out at the August Summer Meet.

Congrats to Tara Tira, Jennifer Mangum, Don McAlister and Ibone Belauteguigoitia for setting new American **and** World records in the Women's 21-29 Tower, Women's 50-59 Tower, Men's 65-69 1 Meter events, and Women's 80-84 1 Meter, respectively. To Lisa Meller for setting a new American record in the Women's 45-49 Women's 1 Meter event, and to Kelsey Stillinger and Ibone Bel'g'Tia for setting new American records in Women's GM1 and GM5 events, respectively. See results above.

Further Note: Tara Tira's new American and World Tower diving record broke that of Lynn McCoy's long-standing record of 321.10 set way back in 1986.

Note: This amended version adds Ibone Bel'g'tia's American and World record in the Women's 80-84 1 Meter event to the number of new American and World Records set.
