

**Are you excited yet? Spring National Championships start Friday!**

**I am SO excited to see everyone later this week.**

It is hard to believe we will start yet another season for USA Masters Diving. It always happens this way. It seems we are all a bit sad saying our goodbyes after our competition - and before we know it - we are back together for our next competition.

---

I will arrive in Cleveland on Wednesday to run some errands and get some things in order before we start. There will be pool time for those that need it on Wednesday from 4-6 and Thursday from 2-4pm. Our athlete meeting will take place at the hotel starting around 6:30 at :

**WYNDHAM – Cleveland at Playhouse Square**

1260 Euclid Avenue, Cleveland, Ohio 44115  
216-615-7500

Don't be late - rather - come early. There will always be a group in the bar area catching up and sharing in a libation before our meeting. As always - we plan on getting some pizza for the meeting. We ask that you donate what you can to offset the expense.

The weather this week is supposed to be COOL. Don't let the last few days of warm temperatures lure you into believing that SPRING has sprung. Bring sweater and jacket to stay warm. It will be cold at night.

Ron has been working hard to provide entertainment for our group. We are in the Theatre District - so Ron has acquired tickets for the SOLD OUT show "SOMETHING ROTTEN". He was able to acquire the following tickets for the show for our group;

Balcony Seats - 32 tickets normally \$60 + a fee for only \$20/ticket

Mezzanine Seats - 10 Tickets Normally \$70 + fee for only \$40/ticket

he will sell the tickets on a first come first serve basis

Athlete meeting will start at 6:30pm on May 4th at the WYNDHAM hotel in

---

Playhouse Square. We will discuss the final meet schedule, update you on news as it relates to Masters Diving - and welcome our new divers to the fold.

Events will start at 9am on Friday morning. Last event should end by early afternoon on Sunday the 7th. With the popularity of Synchro - things tend to run later than expected. We hope all events will be complete and awards distributed by 4:00 pm.

The pool is located within walking distance from the Wyndham. The ROBERT F. BUSBY Natatorium is on the grounds of Cleveland State University. 2451 Euclid Avenue in beautiful downtown Cleveland.

As always - I am here to serve the membership. Please contact me at any time with questions or concerns. LETS DIVE! Gerry Dunn - Chairman
