

DEADLINE - Approaching!

It is hard to believe it ~ but FINA World Championships in Budapest are around the corner. While the deadline to sign up is at the end of June - the deadline to get outfitting for World Championships is less than 10 days away.

While USA Diving has promised to provide us outfitting - we are under the gun to get the items ordered through NIKE , customized and then sent to all of us individually by July 15th. We are already cutting it close on timing to have the outfitting prepared and delivered on schedule.

So - with that said - if you have signed up for the FINA World Championships - you

are eligible for outfitting. If you are not signed up in the next 4 days - you will still be eligible to participate in the Championship meet - but you will NOT be eligible for outfitting from USA Diving. So - do not delay. Get signed up NOW! This is the last warning.

Here is the link to register:

<https://registration.fina.org/account/signin?ReturnUrl=%2F>

You will first have to create an account and pay for registration. Once the account is registered and you have a password and user name - you will log in again to enter your events. You can enter all your individual events directly. Team events (SYNCHRO) must be registered by GERRY DUNN by separate system. Read below for further instructions on Synchro registration.

Once you are successfully registered - please e-mail me so I can send you an order form for suits and other outfitting. .

You can e-mail me here: gerry@mypotomac.com . Once I can confirm your registration - I will send out an order form for sizing and payment instructions.

If you plan to dive synchro - you can let me know who you plan to dive with. You may have different partners for each event. Let me know who the partner is - and what event(s) you will be teaming with them. I will then register you as a team entry and confirm your Synchro status.

So - in order of importance...

1. REGISTER
 2. Pay for individual events
 3. E-mail Gerry Dunn for outfitting order form
-

4. Let Gerry know your Synchro partners

Questions? Let me know. I am sending this to all membership and posting it on Facebook. I will also post it on the US Masters Message board. There will be no exceptions on outfitting. Deadlines are HARD.
