

Letter from the Chairman

Masters Divers,

Winter is behind us and Spring is in the air and that means I am going to ORLANDO, Florida !

We begin our 2016 USA Masters Diving Season with Spring Nationals in Orlando, Florida. Meet information has been posted and we are looking forward to having another great start to our 43rd year of US Masters Diving. The meet is posted on Divemeets and I encourage everyone to register as soon as possible.

Our Summer Championships are in Greensboro, North Carolina and has been integrated into the larger USA Masters Games. Because of this, registration for this meet will be COMPLETELY DIFFERENT than any meet you have registered in the past.

1. Go to: <http://www.usamastersgames.com/>

2. Sign up as an athlete = \$60 til April 1st, \$80 til May 13th and \$99 till June 30th. So if you sign up early you will save \$25 from the normal USA Masters Diving registration fee of \$125

3. Sign up for your sport = Diving Cost \$40. (You save \$20 By signing up early (4/1/2016) cost \$105)

4. Choose your events. If you sign up for Synchro event it will give you a message that it is not available. This will be the case because we are taking all synchro entries at the event only.

5. Entering your dive list then will be done at Divemeets.com at a later date at no additional cost to you as an athlete.

I am excited that USA Masters Diving was the first Masters Sport to commit to be a part of the Inaugural USA Masters Games. We understand that there may be some confusion - as this is a different means of registration from past National meets. If you are having problems registering for the event, please let me know and we will make sure everyone who wants to dive will be able to dive.
