1988 Sable Award Winners: Bill Travis and Ibone Belausteguigoita

1988 II Fina Masters World Aquatics, October 8-16, 1988, Chandler Pool, Brisbane, Australia. Diving held Oct. 13-15. There were 3500+ swimmers and 80+ divers. This meet was held at the same time as World Expo 88, and those who attended had a great time in Brisbane, as well as other parts of the "Land Down Under." Due to an international impasse, the age group competition 30 and up was held in 10 year instead of 5 year age brackets; for the first and last time.

1989 U.S. Diving Masters Outdoor National Diving Championships, August 25-27, 1989, Mission Bay Aquatic Training Center, Boca Raton, FL. Ron O'Brien and staff, meet directors. We got to dive in one of the finest diving facilities to date. There was a special diving camp open to those who came early. Because of the Masters World Games earlier in the month, the participation was not as big as it otherwise should have been. One of the outstanding performances saw "Shoeless Joe" Greenwell compile 21 10's in the 21-29 tower competition, with 3 perfect 10 dives in a row-401-B, 305-C and a 5237-D; a new first for masters diving.

**= new FINA world record for increased formats.

1991 U.S. Diving Masters Outdoor Invitational Championships, held August 23-25, 1991, SMU pool, Dallas, TX. Joan Schalk, meet director, Cheril Santini, Liz Kraft and Jim Stillson, meet managers. Approximately 100 divers participated in this last big meet of the 1991 season. We saw some old faces and are being to see alot of new faces from the Seniors program, as the "fence" is now down. We continue to "fine tune" the rules to reflect certain conformity with FINA, while attempting to keep our own unique U.S. Masters format.
