

The 2009 (Summer) U.S. Masters National Outdoor Invitational Diving Championships were held at the University of Indiana, Bloomington, IN, August 21-23, 2009. Meet Director and Meet Manager, **David Dawson**, along with *DiveMeets.Com*. 51 divers participated. There were some extremely close scores in several events as indicated. There was one American record set in women's tower diving.

William V. McAlister and Viola Cady Krahn Performance Award Winners for 2009.

The winner of the **William V. McAlister Performance Award** (according to the established tabulation formula*) goes to: 1st. **James Whalen**-462.42 points. 2nd. **John Deininger**-435.46 points. 3rd. **Fernando Ribeiro**-406.70 points. [Note: although Jimmy had mostly 2nd places, his dive average was very high and he beat more divers in his events. Congrats, Jimmy, on a great comeback and great diving!]

The winner of the **Viola Cady Krahn Performance Award** (according to the established tabulation Formula*) goes to: 1st. **Jennifer Mangum**-488.22. 2nd. **Cheryl Meltz**-455.27. 3rd. **Karla Helder**-424.15. [Note: Jennifer has some outstanding dives and dive averages. Cheryl also did some impressive diving. Karla could have placed 2nd had she dived tower in the outdoor event. Also some great dive averages. Congrats to all on your fine performances and great competition.]

[Note: There is a policy in place of not allowing any two divers to dominate this award more than twice within a 5-year age group, the award being passed to the next high point diver who has not previously or recently won the award. There was no need to implement this policy for 2009.]

[Note: The previous formula for these awards was: 1 point for each event (1M, 3M, TWR and GM); the diver's dive average; a handicap factor of 1/5 the diver's age; points for 1st-6th place—10, 8, 6, 4, 2, and 1, plus 1 point for each person beaten within that event. Add the totals for indoors and outdoors and you get the winners, down to 3rd place. Starting in 2009 this formula will be modified by awarding bonus points for records set, 10 points for a world record and 5 points for an American record.]
