Congrats to these fine divers for their outstanding performances in US Masters National Competition. [Note: a diver can only win the award twice in an age group before passing it to the next highest point winner. They can begin afresh in the next higher age group. This is to prevent any one or more divers from dominating these awards. Since Jennifer won it twice in the women's 40-44 age group and 6 times previously, she is entitled to keep it as a first-time winner in the 45-49 age group, or can elect to pass it to Cheryl Meltz, who has never won the award. Jennifer has graciously elected to pass the award to Cheryl this year. Thank you, Jennifer.
