[Note: These events were first recognized as medal events in 2008 at Perth. Records are reflected accordingly.]

-
- Notes: 1. The meet and events were run very efficiently and on schedule, with one minor delay due to Robert Savoy's injury while practicing line-ups on the 5 Meter tower. (He dislocated both shoulders and had to be taken to the hospital. Shades of my injury in Casablanca in 1998).
2. The judging was overall good, but somewhat low at times. Still too many entry judges who are not judging the 4 elements of the dive.
3. The 16th 2015 FINA World Masters Aquatic Championships are scheduled for Kazan, Russia. This is a change in the usual two (2) year schedule for this event.
4. Congratulations to all those men and women who set new meet/world records.
