Notes: 1. This competition was run in ten (10) year age groups instead of the usual five (5) year age groups, and under modified FINA rules. Also, there were different numbers of dives done, usually 1 or 2 less than in a regular FINA World Masters Aquatics Diving competition. See 2014 WMA Montreal Meet for specifics.

2. There was a new added event, the men's and women's 19-24 age group, which is not normal in regular FINA Masters World Aquatic diving competition.
3. The Synchro Diving had to be broken down by age groups, men's, women's, and mixed competition.
4. The 16th 2015 FINA World Masters Aquatic Championships are scheduled for Kazan, Russia. This is a change in the usual two (2) year schedule for this event.
5. The 2015 US Masters Diving Spring and Summer Championships are tentatively scheduled to be held May 1-3 at Stanford University, Palo Alto, CA,, and August 28-30 at the University of Missouri, Columbia, MO.
6. The 2015 UANA Pan Am Masters Diving Championships will be held at Medellin, Columbia. See Masters Web Site for details.
7. This ends the final diving competition for 2014. Thanks to Ron Kontura Jr. for all his hard work in setting up the meet sites for 2014-2016 and for running the meets efficiently.
