**Notes:**

1. This Novice event is a continuing event. It was a first time event, voted on in 2013 at the Michigan Summer meet. It has not since been voted on as a regular event, therefore there will be no records set or kept for this event.
2. Some divers dived in both regular and novice events. See above.
3. This Novice event is to encourage new divers who otherwise could not compete in regular events. It has currently served its purpose and hopefully will encourage other divers to enter in future national championships.
4. Special medals were awarded for these Novice events.
5. As per a rule change in 2015, GM5 events for both men and women is now 5 dives instead of 6, starting in 2016.
6. Meets upcoming in 2018: Spring, Dallas at SMU's new indoor pool, Summer, Indianapolis, at IUPUI, site of the 2016 Olympic Trials.

Congratulations to **Robert Sherman** and **Lisa Meller** on setting new American Records.
