Special Announcement: Change in the name of the Sable Award. In as much as most of the 40 and younger groups never knew or remember John Sable, who passed on in 1980; and whereas there have been several requests to rename this award to reflect things/people more contemporary; and in recognition of their longevity status, outstanding performances, contributions, and inspirations to the sport of Masters diving, the founder of this award has decided to rename and dedicate the original Jolly John Sable Award to: **William V. MaAlister, The William V. McAlister Award For Outstanding Performance in Men's Masters National Diving Competition;** and to **Viola Krahn, The Viola Cady Krahn Award For Outstanding Performance in Women's Masters National Diving Competition.** These two wonderful and special people are most deserving of this recognition and I wanted them to have this special honor and tribute while they are both still with us.

The 1998 William V. McAlister and Viola Cady Krahn Awards go to **Peter DiCroce** and **Anne Fitzgerald.** Anne had a total of 450.87; Peter had a total of 489.87.
