

Ancient Greek Proverb: "To play the game is great.  
 To win the game is greater.  
 To love the game is greatest!"  
 Modern Proverb: "Winners never quit and quitters never win."

1980 National AAU Masters Indoor Diving Championships, May 24-25, 1980, The Woodlands, Texas. Dave McKeehan, meet director. This was another year for rule changes. 70-79 was broken down into 5 year age brackets and the Grand Masters events were expanded to GMI-21-34, GMII-35-49, and GMIII-50 & up. The tower events were also broken down into 10 year age brackets. 1980 was also the start of the Jolly John Sable Award, in loving memory of Jolly John Sable, a great and unique senior masters diver, who passed away in March 1980 at the age of 76. Awarded each year to the male and female diver displaying outstanding performance in National diving competition.

1985 U.S. Diving Masters Outdoor National Diving Championships, August 16-18, 1985, Park Ridge, IL. Ted Kersting and Jim Blickenstaff, meet directors. This meet was followed by one day off for travel to Toronto, Canada, where there was held the first Masters World Games. Those who dove in both meets probably had the greatest and most intense 7 days of diving of their lives.

**1985 Sable Award Winners:** Gary Bagley and Joan Schalk

1985 First Masters World Games, held at Toronto, Canada, August 1985. Diving held at the Entebicot, August 20-22, 1985. There were over 9000 athletes from all over the world; 126 competed in the diving event. Many who competed in Chicago also came to Toronto, plus some new faces who weren't in Chicago. The medals were really outstanding.

\*\*=new masters FINA world record. Note: in as much as this was the first real masters world championship competition, held under a quasi-FINA format, (the number of dives in certain categories did not conform to U.S. Diving Masters format, all scores, with the exception of certain tower scores, are Masters World (FINA) records (but not American world records). (scores in the 25-29, 30-34 and 35-39 age categories will be the same for U.S. Masters diving records, where applicable).

Note: after careful research of files and consultation with participants, it is assumed that FINA format for this meet is as follows and will apply to all other international meets run under FINA rules and format unless and until further advised.

\*=new national record; \*\*= new American world record

1986 U.S. Diving Masters Outdoor National Diving Championships, August 22-24, 1986, U.S.C. McDonald's Olympic Pool, Los Angeles, CA. Lloyd Kaplan, Mark Conte meet directors; ably assisted by Tim Brennan, Carol Cooper, Rick Early and Yvonne Thompson. This was by far the biggest and

grandest championship to date. Over 106 registered and over 90 attended at the site of the 1984 Olympic diving. The vibes were still there and the diving was great.

1986 saw another rule change. Grand Masters IV was added, comprising 65 and over. This gave our very senior divers a more competitive edge in the senior grand masters event.

Fred Fox solicited and received the following letter from the White House: "I congratulate all those taking part in the 1986 US Masters Diving Championships. Your sport is highly competitive. It requires exacting physical and mental concentration. All of you have trained hard and will give your best. But there is another quality that goes along with diving. The sport is one of great beauty as all spectators will readily acknowledge. You, the competitor combine skill, agility, and not least of all, exceptional grace as you execute your dazzling dives. All of us wish you the best of luck. As far as I'm concerned, you all champions. God bless you." Signed, Ronald Reagan, President.
